(248) 849-3537 for directions.*

Southeastern Michigan Dietetic Association
Joanne Reid
42236 Waterwheel Ct. N.
Northville, MI 48168

OBJECTIVES

Describe how to implement the principles of the cognitive-behavioral therapy (CBT) model when treating the eating disordered client.

Compare and contrast the CBT model with other models of treatment.

Employ educational strategies and tools utilizing the CBT model to facilitate behavior change.

Be able to state reasons why gender-specific health care is necessary.

Be able to discuss differences in presentation, diagnosis and treatment of heart disease between females and males.

Be able to state results of the WISE study and its implications to the care of female patients.

Be able to discuss effects of depression and its prevalence in females.

Vitamin D: Vitamin D background; classical effects of Vitamin D, mechanisms and metabolism; non-classical effects of Vitamin D in health and disease; current research; appropriate dosing.

Directions

Fisher Auditorium is located in the Professional Medical Building (PMB), behind the main hospital and is accessible from Providence Drive. In the PMB, go around the first floor elevators (either to the right or left) to a corridor leading to the hospital. Fisher Auditorium is through the double doors and to the left.
